In response to the parties' letters at ECF No. 1070 and 1071, the Court orders the below.

The deposition of Dan Norton shall take place on June 29 as neither party has raised an objection to that date. By June 9, 2023, Plaintiffs shall confirm they have served subpoenas on Maple Life and Antonio Com. The depositions of Maple Life and Antonio Com shall take place no later than July 12.

The deposition of John Marcum must be completed by June 16, 2023.

The Court will not require that Thomas Cambern sit for a deposition during his vacation, and the parties are reminded that where conflicts or emergencies arise, they shall extend professional courtesies.
